No-Fuss Fundraiser

What makes our fundraiser no-fuss? No orders to take, no wrapping paper or popcorn to deliver. Our goal for this year is to raise \$10,000 to fund the wonderful programs we have in place to support the students, teachers, and parents of Sanderson High School.

If we relied solely on the local portion of membership dues, the SHS PTSA would need more than 7,000 members just to fund our budgeted programs! The students and teachers at Sanderson rely on your generosity and participation in the No-Fuss Fundraiser to provide the money necessary to carry out our mission.

The first one hundred donors with a minimum \$25.00 donation will be eligible for a drawing for a \$100.00 Angus Barn gift certificate. Your name will be put in the hat once for each \$25.00 donated. (Example- you are the 37th donor and you donate \$75.00 – you will receive three chances to win the Angus Barn gift certificate). A big thank you to a Sanderson PTSA supporter who donated the gift certificate.

Your PTSA No-Fuss donation helps pay for PTSA programs throughout the year. Watch the thermometer located at the front door of the school for our progress toward our goal!
